

2nd World Autism Organisation Congress
30 October – 2 November 2006
International Convention Centre Cape Town, South Africa

Opening Ceremony performed by learners with an Autism Spectrum Disorder

Close to 1000 delegates attended from many countries to hear over 120 presenters and view 90 poster presentations.

(Visit <http://www.sbs.co.za/AUTISM2006/> for full conference programme)

In between the many concurrent sessions over the 4 days, there were many opportunities for networking and socialising!
